## BIG STRIKE GROWING ON PICKET DUTY TODAY

CALLING OUT OF ONE HUNDRED  
THOUSAND UNION TEAMSTERS  
IN NEW YORK CITY ALONE IS  
EXPECTED TODAY.

(Herald Special.)  
New York, Nov. 1.—The calling out  
of one hundred thousand union team-  
sters in this city alone and the order-  
ing of a nation-wide strike is threat-  
ened today as a result of the express  
drivers' strike.  
Five thousand platform men quit  
work today, joining the strikers.  
Only four hundred of the twelve  
hundred express wagons are running  
today. The Adams Express company  
imported three hundred drivers from  
Baltimore and put them to work to-  
day.

### FATE OF GIRL IS IN DOUBT.

Two Desperate Mexicans Kidnap an  
American Girl.

Mexico City, Oct. 31.—An armed  
party of men is now in pursuit of two  
desperate Mexican characters who  
kidnaped Grace Rolph, 16 years old,  
from a ranch near Chicoy, state of  
Tamaulipas, on Wednesday. Miss  
Rolph is a daughter of Dr. B. M. Rolph  
of a Pender (Neb.) family.

A few details of the kidnaping were  
contained in a telegram received at  
the American embassy late tonight  
from Consul Miller at Tampico. In  
the message the consul stated that  
Segundo Selvero and Leandro Men-  
doza, desperate men, robbed a safe  
and kidnaped the girl. Dr. Rolph, the  
father, is now in pursuit. The guilty parties  
have been reinforced and are headed  
for the Huasteca country, state of  
Vera Cruz. Consul Miller has asked  
that rurales be sent out to aid the  
pursuing party, as the situation is  
serious, and he says a clash between  
the pursuers and the pursued, all of  
whom are armed, is very probable.

Consul Miller says that proper  
papers have been made out for the  
arrest of the fugitives, but on account  
of the girl it is necessary to capture  
the bandits as soon as possible. The  
fate of the girl is in doubt.

### A Mammoth Contract.

New Orleans, La., Oct. 31.—The

mammoth contract for cross ties  
amounting to \$2,000,000, the contract  
having gone to the National Lumber  
and Creosoting company of Texar-  
kana. The material will be principal-  
ly white oak. Several tie machine  
plants will be installed in order to  
get the ties out on time. An option  
has been secured on 25,000 acres of  
oak timber land for the purpose of  
filling this big order. The timber is  
owned by Hoshall & McDonald Bros.  
of Helena, Ark.

pletely severed his head from the  
body. Bauman is survived by an  
aged mother and two sisters.

### Betting Against Stimson.

New York, Oct. 31.—The betting  
odds against Stimson lengthened to-  
day, when at five to two about \$20,000  
was played against \$50,000 Dix money.  
At the close of the business day in  
Wall street large amounts of Dix  
money were uncovered at these odds,  
and \$1000 was offered against \$5000  
that Dix would carry the state by at  
least 100,000.

SOCIETY WOMEN OF CHICAGO

WORKERS' STRIKE AND ASSIST  
THE WOMEN STRIKERS.

(Herald Special.)  
Chicago, Nov. 1.—Dressed in garbs  
similar to those worn by the women  
among the thirty thousand garment  
workers now on strike in this city,  
scores of society women and settle-

of picketing the streets in the dis-  
turbed districts, and are appealing to  
those still employed to quit work and

mits Suicide.

Georgetown, Texas, Oct. 31.—News  
was received here that J. L. Lester,  
cashier of the Weir State Bank, com-  
mitted suicide by cutting his throat  
with a sharp knife. Death was in-  
stantaneous. When the north bound  
passenger train on the Katy arrived  
at Weir, Bank Examiner Chambers  
got off and informed Mr. Lester that  
he would examine the bank. Mr. Les-  
ter seemed in good cheer and told him  
to go in the bank and be seated and  
he would return. Mr. Chambers wait-  
ed some time and notified parties.  
Mr. Lester was found dead in the  
closet with a bloody knife by his side  
and a great pool of blood on the floor.

Bank Examiner Chambers took  
charge of the bank and notified Presi-  
dent E. E. Jungmichel of Walburg.  
Several parties in Georgetown are  
stockholders in the bank.

Mr. Lester was formerly connected  
with the Hutto bank, owned then by  
Dr. E. P. Wilmot of Austin, and came  
here five years ago as bookkeeper in  
the First National Bank. When the  
Weir State Bank was organized by  
prominent capitalists he was elected  
cashier and built up a fine business.  
Lester was about 30 years old and un-  
married.
